EDUCATION

Fashion Institute of Technology, State University of New York, New York

Bachelor of Science - Fashion Business Management - Spring 2026

Dean's List - 2024

EXPERIENCE

Operations & Merchandising Intern — Pickle, New York, NY

November 2025 - Seasonal

- Supported the annual influencer closet sale across spreadsheets & tagging; normalized item data (brand/size/condition/SKU), researched pricing across **100+ brands**, and drafted markdown tiers with live floor updates.
- Executed visual merchandising (rack density, color stories, signage) and back-of-house org/restock/inventory reconciliation; partnered with the store manager to keep product flowing at retail speed.

Project Management Associate — Grayscale, Stamford, Connecticut

October 2024 - Present

- Orchestrated end-to-end production for 3 commercials; built critical paths and 20+ call sheets/schedules, coordinated a 10-person crew and 6+ vendors, and delivered assets 100% on time and 13% under budget.
- Led styling & wardrobe operations: created mood boards, styled 25+ looks with on-set continuity logs, managed 60+ pulls/returns with 0 losses, and negotiated couriers/cleaning for 12% savings.

Fashion Institute of Technology, Academic Tutor, New York, New York

September 2023 - PRESENT

- Coached 200+ students on calendar discipline and time-blocking using Google Calendar and shared task trackers; standardized weekly study plans to keep deadlines on track.
- Built digital fluency through hands-on sessions in Excel (lookups/pivots) and PowerPoint (clean, on-brand decks), distributing reusable templates in Google Workspace and reinforcing habits with LMS reminders.
